

**REMARKS**

The present context is in response to the Ex parte Quayle Office Action dated June 8, 2009, in which Claims 1-14 are objected to because of certain informalities. Applicant has thoroughly reviewed the Office Action, including Examiner's remarks. The above amendments and following remarks are believed to be fully responsive to the Office Action to render all claims in condition for allowance.

**Claim Objection**

Claims 1-14 are objected to because of the following informalities: lack of clarity and precision.

In response thereto, claims 1-14 have been rewritten in proper idiomatic English and that are grammatically correct. The reference numbers to the drawings are also removed from the claims to avoid any claim interpretation confusion. No new matter has been added by this amendment.

Accordingly, withdrawal of the objections and allowance of the claims are respectfully requested.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-3537, under Order No. 22173-70410 from which the undersigned is authorized to draw.

Respectfully submitted,
